# Conference

To Cooperate With Others

## Context Description ▶

### Conference Questions (questions asked)

### Teacher Comments

### Student Response to Teacher Comments

#### Contributes to team efforts ▼

- How did you decide what roles to assign to each member of your group?
- What did you do to demonstrate that you are participating in classroom discussions and school activities?
- How did you work as a team to attain the same goal given the different strengths and interests of each member?
- What strategies did you use to plan and carry out tasks with your team?
- What strategies did you use to carry out your tasks so your team can attain the goal?
- What strategies did you use to manage conflict in your team?

#### Uses teamwork effectively ▼

- How did you choose what task would be done as a team or individually?
- What were some of the challenges you encountered in your team and what strategies did you use to overcome them?
- How did working as a member of the team help you learn and how do you think you helped your team learn?
- What did you and each of the team members contribute to accomplish the task outlined in the plan?
- Can you suggest ways your team can work more effectively?

#### Interacts with an open mind in various contexts ▼

- How did you show that you accept each team member as they are with their different interests and needs?
- How did you make sure that each team member was able to express his/her opinion freely to the team?
- What did you change in your behaviour to accommodate your group or to complete the task?
