

This Week's Challenge

Will help me develop Competency 5:

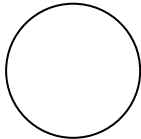

To construct my understanding of the world.

Counting objects and people

I can count all types of things: the number of chairs around the table, the number of shirts in my drawer, the number of people in my family.

My personal evaluation

I thought this challenge was:

- * Easy: Color the circle green
- * A little difficult: Color the circle yellow
- * Very difficult: Color the circle red
